

*Let's look*

Noted by D/DCI  
*to let him*

STAT

15 February 1961

Mr. Dulles is away from the city and unable to reply personally to your letter of 29 January.

May I say, however, that your interesting suggestion is being carefully studied by the appropriate officers of the Agency and that Mr. Dulles will be able to reply more definitely within the next few weeks.

Sincerely,

Assistant to the Director
